## Broadway Hustle Hooping in New York City

[Amy Rogers](#), [Jennifer Rubinshteyn](#), [Minty Atherton](#), [Lauryn Yovino](#) and [Sara D'Angelo](#) of [The Hoop Movement](#) are taking it to the streets. The lovely ladies gathered for a hoop jam in the public eye in hopes of promoting a local art festival. Between their splendid hoop dance skills and striking outfits, these hoopers were bound to catch some attention! Video edited by Chris Fernando. They live in New York City, New York, USA. The soundtrack for this hooping video is a cover of Drake's hit song "Hotline Bling" as done by Disclosure and Sam Smith. It was performed at Radio 1 Live and you can quite easily download a copy of this cover over on iTunes.
